Welcome & Announcements

Music for Gathering

Opening Sentences

One: We gather together in the name of the one who calls us each by name, who restores our souls, who leads us in ways of righteousness and whose goodness and love never stop pursuing us. This is the God we have come to worship!

(please stand as you are able) HYMN 310 (UMH) "He Lives"

Prayer

One: O God, you provide everything we need. You let us rest in green meadows and lead us beside quiet streams. You renew our strength, and guide us in ways that bring honor to your name. Even in difficult days, you are always near—protecting us, comforting us, guarding and guiding us every step we take. You welcome us as friends and pour your blessings on us. Your goodness and unfailing love will accompany us all the days of our lives, and after our lives here are over, we will spend eternity with you.

All: **Amen.**

Main Street Church is seeking to expand its worship experience offerings each week. We want to continue to be relevant in our efforts to communicate God's love through Jesus Christ to others--especially those who are not actively and currently part of a faith community. Striving to eliminate the roadblocks that lead to a meaningful opportunity for worship, we are considering an alternative experience that might reach people with fresh expressions of praise and fellowship.

Please consider the following survey and give us your feedback as we move forward in our efforts to provide meaningful worship at Main Street:

Would you be interested in attending a new worship service experience?

Yes, absolutely _____

No, I'll stick with what I currently attend _____

Maybe, I just don't know at this point _____

Where is the best place for a new worship service (especially if it is more progressive and uses contemporary expressions of worship such as varying instruments, media presentations, a relaxed atmosphere)?

Sanctuary _____

Fellowship Hall _____

If you were interested in attending a new worship service at Main Street, what time might suit you?

Sunday morning at 8:30a _____ or 9a _____

Sunday evening at 5p _____ or 6p _____

Saturday evening at 5p _____ (there are not many opportunities in our area for this time in our community; it might provide a nice alternative for those who work, don't like or have little experience with a Sunday morning routine)
