

## FALL WITH PAUL 2019

This Fall season, we will explore major biblical writings and themes of the Apostle Paul. Join us at 645p for this study and conversation on some of the chief apostle's voice and see how it is even a contemporary voice that is worth our consideration today. We will explore Paul's conversion, call and commission and the themes of grace, the importance for Paul of Christ's death, what he means when he proclaims "Jesus is Son of God and Lord," reconciliation, community in the Holy Spirit, faith/hope/love and return/resurrection/renewal.

Our dates are set for

Mondays: September 9, 16, 23

October 7, 21, 28

November 4, 11, 25

There is no real need to sign up. We will only have the bible as our primary text.
